

New Ideas for Modern Health Care

Protection: on our mind  
and built into our products.

Shielded Tip Trocar

## Access Ports: Shielded Tip Trocar

The GENICON Access Port Systems are designed to offer unrivaled versatility, efficiency, ease of use, and optimal cost.

Our Shielded Tip Trocar Systems are designed to be versatile, operationally flexible, and clinically adaptive to all surgical needs.

Ergonomic handle design allows for a firm, controlled grip, while minimizing hand fatigue.

Shielded Tip Trocar with retractable shield.

### Shielded Trocar

### One Cannula

### Two Cannula

### No Cannula
